

Successful Tree & Shrub Planting: Sustaining Your Forest, Wildlife & Landscape

Wednesday, March 8, 2017*

6 to 8 pm

Homestead Township Hall

11508 Honor Highway (US-31) Honor, MI

Before you place your order for seedlings with the Conservation District or purchase containerized trees or shrubs from your favorite local nursery, come and learn about selecting the right native species for your specific goals, how to maximize planting success with proper site selection and preparation, planting techniques, and follow-up protection and care.

Welcome

Aimé Merizon, BCD Outreach Coordinator

Planting for Wildlife Habitat

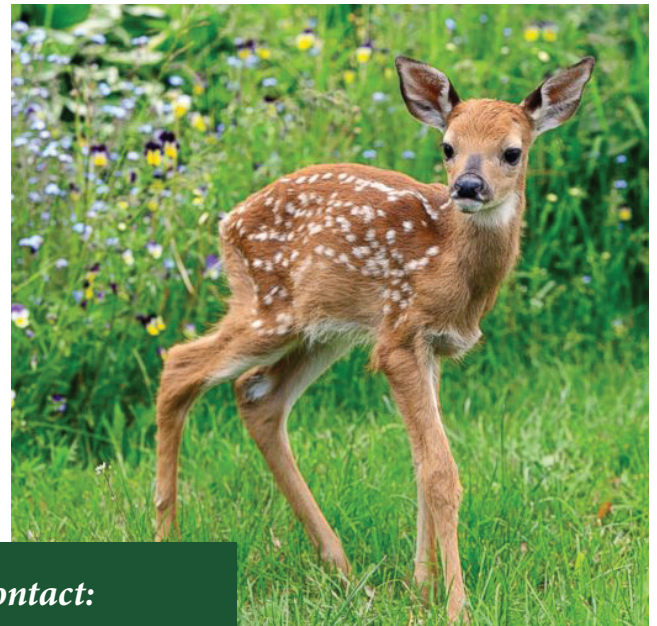

*Linda Thomasma, Wildlife Biologist, and
owner of Two by Two Wildlife Consulting*

Planting Bareroot Seedlings

Kama Ross, District Forester

Planting for a Beautiful Landscape

Carolyn Thayer, owner of Designs in Bloom
